Quilt Expo is the Midwest’s premier quilting destination, offering amazing educational opportunities, nearly 200 national (and international) vendors and a 10-category juried-and-judged quilt contest and exhibit.

On the following pages, you’ll find everything you need to plan your Quilt Expo experience, whether you’re a longtime Quilt Expo attendee or you’re joining us for the first time.

• Explore hundreds of educational opportunities to pique your curiosity, including one-hour lectures, hands-on workshops and sit & sew workshops, all led by leading educators.

• View our extensive list of vendors, who travel to Quilt Expo to showcase the latest fabrics, threads, notions and sewing machines. With a vendor mall covering 85,000 square feet, you can spend an entire day just shopping — and who could blame you?

• Our community service project: Quilt to Give, returns this year, as does our newest community service project, the Bringing Hope 2 Others Blanket Drive.

• And, of course, QUILTS! Our 10-category Quilt Contest exhibit features hundreds of beautiful quilts. Find inspiration for your next project in this exhibit and the many other special quilt exhibits, including this year’s brand-new Bake Off Quilt Challenge, the Kids’ Quilt Challenge and a landscape quilt exhibit in honor of Nancy Zieman’s incredible life and legacy.

All this, and much more, is only a few months away. Visit QuiltExpo.com/PlanYourVisit for all of the information you need to plan your visit to Madison.

### Special Evening Events

**Michèle LaRue**

**The Bedquilt & A Quilting Bee in Our Village**

This program of two vibrant, vintage stories plus a revealing lecture is performed exclusively by Michèle LaRue, a professional actress specializing in tales from America’s Gilded Age. “The Bedquilt,” based on a short story by Dorothy Canfield Fisher, recounts the suspenseful journey of an unlikely heroine: an elderly spinster, taken for granted by her New England family— but “clever in the way of patching bedquilts.” Introducing “The Bedquilt” is the gleeful account of “A Quilting Bee in Our Village,” written by Mary E. Wilkins Freeman. In Freeman’s little town, good food, gossip and games make a successful bee—even when they go awry. LaRue embodies 10 distinct characters in this dramatization. The program concludes with Fisher’s surprising description of how she wrote “The Bedquilt.” 70 min. plus Q&A.

6 p.m. | $20 in advance

**EVENT #Q18SE6-T**

**Julianne Donofrio**

**Pieced Together**

“Pieced Together” is the first documentary film about the American quilt square trail movement. Directed by Peabody Award-winning veteran of ABC News, Julianne Donofrio, “Pieced Together” tells the story of how one woman’s love for her mother changed the American landscape and saved her life after job loss, breast cancer and multiple health concerns. Donna Sue Groves has an idea: Pretty up a barn for her mother, Nina Maxine, a celebrated quilter, by hanging a wooden square painted to look like a quilt block. The idea sparked a grassroots phenomenon and a new form of public art. Now there are trails in over 40 U.S. states and parts of Canada; 240 trails and counting! Donofrio will introduce the film and take questions afterwards. 60 min. plus Q&A.

6 p.m. | $20 in advance
